Introducing a town centre location in Newcastle which hopefully may be of interest to you and your clients.

Located in the heart of Newcastle, Carlton House offers a rare listed building ambience which offers excellent facilities for your special occasion; funeral catering, wedding receptions, business meetings, lunches or whatever you require.

We are pleased to inform you of the re-opening of our refurbished Function Suite, details of which are attached. Carlton House can also offer private facilities of lower capacity on the ground floor.

All our in-house catering and bars offer high quality at very reasonable prices, tailored to meet your customer's requirements.

The following are genuine responses from our clients. (Cards on file)
